## ❖ BRIEF INTRODUCTION

Incorporated in Qingdao as an International Engineering & Trading Corporation;

SUNRISE has a qualified delegate who have various experience in overseas projects including fabrication, procurement, supervision and construction for various customer in the world.

SUNRISE has fabrication shops in Jiaozhou which are:

- ❖ Only 35 km away from the Qingdao international Port;
- ❖ 4000 square meters in-door shop;
- ❖ Integrated many qualified sub-shops under Sunrise as a combination group;

During the past years, SUNRISE has been the qualified supplier and copartner in China serving various aspects, including detail design work, steel works fabrication, logistic, technical supports and assistance

## ❖ BUSINESS FOCUS & CORE COMPETENCE

Technical support and Consultancy: we have supplied our engineers /supervisors to KHI, BHK to work as their representatives in their Chinese suppliers' shops or construction site for supervision of the fabrication, quality control, progress expediting, and so on;

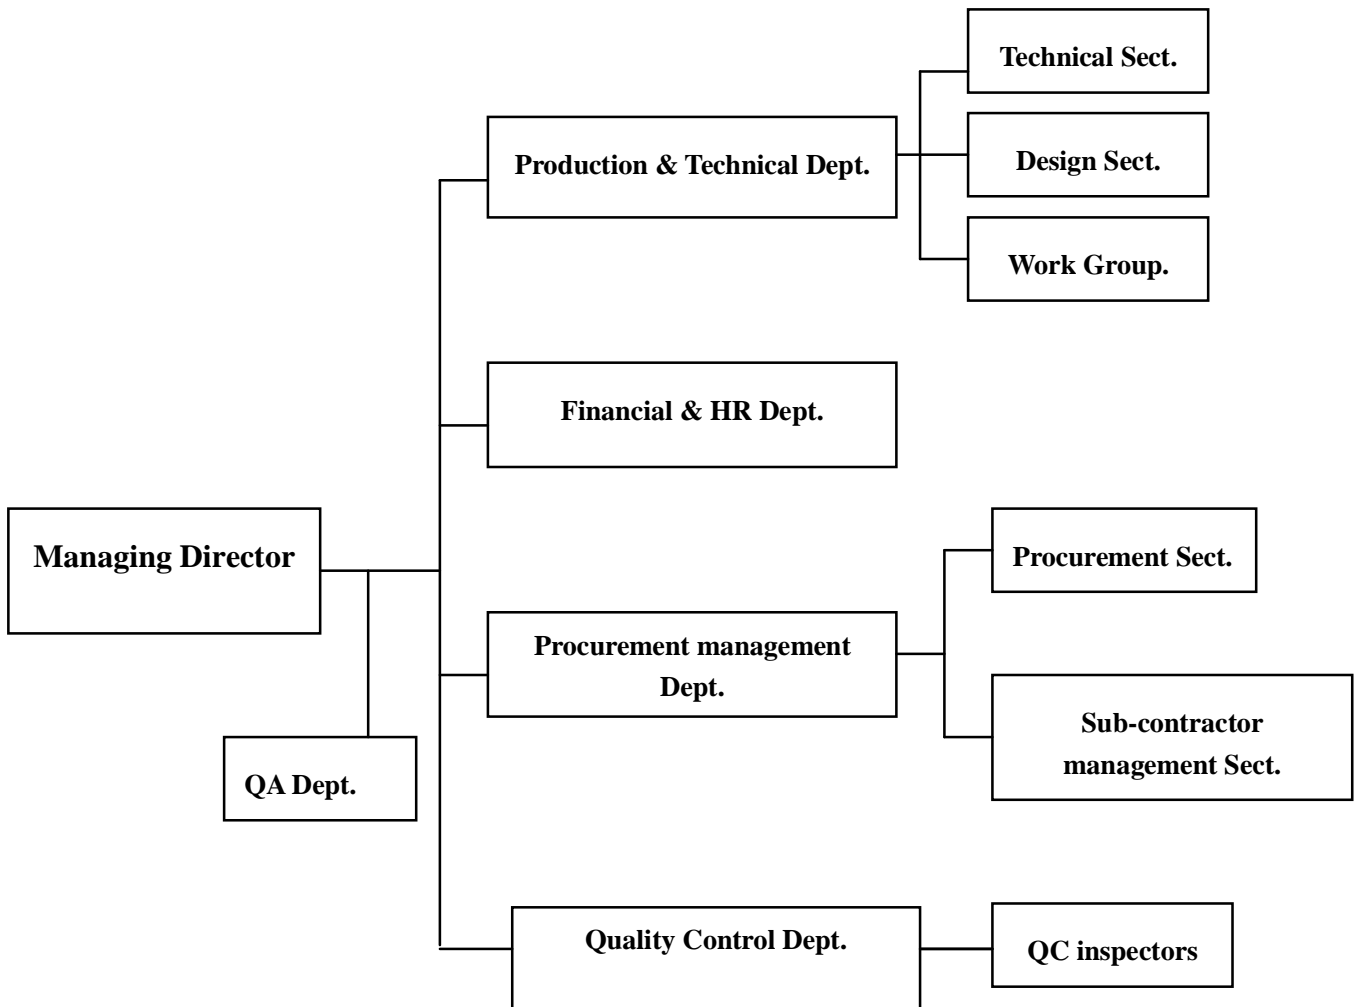

Engineering work: Detail design work using AUTO-CAD & X-STEEL per the assembly drawing (basic detail) for structures, HRSG non-pressure parts, Ducts, Bunkers, etc.;

Steel Works supply, which includes but not limited to :

- ❖ Steel Structures and Gratings, etc.;
- ❖ Ducting work, including panel and module delivery;
- ❖ Dampers for Air/Gas Duct and FGD, etc.;
- ❖ HRSG non-pressure parts, including Casing, Duct, Stack, etc with insulation work;
- ❖ Silencer, including basic design per the data of the customer;
- ❖ Hanger rods and Backstay for Boilers;
- ❖ Bunker, Silo fabrication; and so on;

International Trading to meet different requirement of the markets;

## ❖ ORGARNASATION CHART

## **❖ OUR COMMITMENT**

To be consistently and quickly responsive to the changing needs of customers;

To pursue our customers with reliable quality and punctual delivery;

To foster a work environment which emphasizes teamwork, learning, integrity, improving & developing;

## ❖ SUNRISE SHOP'S MAIN FACILITY LIST & PICTURE: \_

No.	Description	Specification	Quantity (Sets)	Remark
1	单梁桥式吊车 Single Beam Bridge Crane	16 (tons)	2	
2	双梁吊车 Double beam crane	20/5(tons)	2	
3	双梁吊车 Double beam crane	10/3.2 (tons)	3	
4	龙门吊车 Gantry Crane	20/5 (tons)	2	
5	单梁桥式吊车 Single Beam Bridge Crane	10 (tons)	2	
6	生产用车 Truck	10 (tons)	2	
7	压力机 press	JD23-63	1	
8	火焰/等离子切割机 Flame/Plasma Cutting Machine	semi-auto	4	
9	CO2 气体保护焊机 GMAM Welding Machine	CO2/MAC	5	
10	半自动钻床 Siem-auto Driller	Z32	2	
12	剪板机 Shearer	Q12Y—20x2500	2	
13	交流焊机 A.C. Welding Machine	BN-500	10	
14	直流焊机 D.C. Welding Machine	ZX-630	6	
15	氩弧焊机 MIG Welding Machine	ZX-400ST	2	
16	氩弧焊机 MIG Welding Machine	WSM300	3	
17	摇臂钻床 Radial Driller	Z3050X16-1	2	
18	焊条烘箱 Electrode Drying Oven	DH500—2	2	
19	焊剂烘箱 Flux Drying Oven	YJJ—A—500	2	
20	普通车床 General Lathe	6150C	1	

21	锯床 saw machine tool	GD4240	2	
22	等离子切割机 Plasma Cutting Machine	PC100-D	2	
23	等离子切割机 Plasma Cutting Machine	PC101-D	2	
24	折弯机 Bending Machine		1	
25	空气压缩机 Air compressors	W-1.0/10	2	
26	焊接操作机 Welding operation machine	CZ10-2.5X3	2
